The Udder Century

Come and join us for an udderly good time at the 36th Annual Udder Century. Pedal and steer along flat to rolling rural routes of 31, 50, 63, 76 and 100 miles through the dairy land of Northern Illinois and Southern Wisconsin.

Be sure to take breaks along the way at our strategically placed rest stops to refuel, refresh and chow down on bagels, sandwiches, fruit, cookies and energy drinks.

Safety

The safety of Udder Century participants is of primary importance. Routes are on public roads and must be shared with motor vehicles.

All riders are required to wear helmets, ride no more than two abreast and obey all traffic laws.

All riders aged 15 and under must be accompanied and supervised by an adult throughout the ride.

Radio equipped SAG vehicles will be patrolling all routes. While SAGs will stop to help those in need, priority is given to those with justifiable emergencies---riders with irreparable breakdowns, illness or injury. A flat tire is not considered an emergency. All riders should carry a spare tube, pump, water and sunscreen lotion.

Only riders wearing wristbands will be permitted entry into rest stops and the college cafeteria. All riders must be off the road by 4:30 PM, that's when we roll them up!

Soothe any tired muscles with one of our on-site professional massage therapists for an additional fee.

36th Anniversary Udder Century T-shirts! For details, see online registration.
